When you request Arc Flash Protection, request the best from the Industry leaders, Salisbury. Quote TD2010 for a further discount on your next PPE order with Bri-Tech Pty Ltd

# Arc Flash Protection

**REQUEST the BEST - Are you safe from Arc Flash?**

Arc Flash Protection is a topic that most Electrical Utilities and Mining companies are now familiar with and is increasingly gaining momentum. Bri-Tech has acknowledged this momentum for Arc Flash PPE and has been at the forefront of supplying Arc Flash PPE to the industry for a number of years.

Would you compromise your safety? When it comes to safety and especially Arc Safety, quality and reliability should never be compromised. Salisbury is leading the industry in Arc Flash Protection and Salisbury are personally involved in product testing and development on a global scale. Safety you can trust should be with a company that provides the highest quality products and that has also provided personal electrical-safety protection products for over 150 years.
